Rothenburg – Würzburg – Frankfurt (B/L)

早餐后,前往南罗滕堡全名是陶伯河上游罗滕堡,有“中世纪明珠”的美称,是德国最受欢迎的旅游线路-浪漫之路、古堡之路的一个非常重要的组成部分。漫步在满是古建筑的老城,幽静的广场、僻静的角落、塔楼、喷泉、城门、防御工事、储藏室、葡萄酒馆等让人不得不相信——时光在这里并未流逝。之后出发前往维尔茨堡,午餐后参观维尔茨堡的标志之一主教官*,现已被世界文物组织列为世界文化遗产保护建筑物之一。此宫建于1720-1744年间,是德国南部巴洛克式的杰作,也是欧洲最出色的宫殿之一。宫殿内的穹顶天花附有独特悬挂式楼梯,以及世界最大的天花壁画。这座城市的另一个象征是180米长的古美因河桥,桥上耸立着圣人们的塑像。站在桥上可以看到远处是马林贝格要塞。后前往法兰克福。

Rothenburg ob der Tauber is the most famous town in Bavaria, Germany. Strolling through the old town full of ancient buildings, with its secluded squares, corners, towers, fountains, city gates, fortifications, storerooms, wine halls, etc., it is hard to believe that time has passed here. Proceed to Würzburg, visiting the Bishop's Palace* after lunch. This palace is a masterpiece of the Baroque in southern Germany and one of the finest palaces in Europe, now listed as a World Heritage protected building. The dome ceiling in the palace has a unique hanging staircase and the world's largest ceiling mural. Standing on the bridge, you can see the Marienberg fortress in the distance. After breakfast, visit Frankfurt. Located on the right bank of the Main River, near the intersection of the Main River and the Rhine River, it is an important industrial, commercial, financial and transportation center as well as a European cultural center. The Roman Forum is the only square in the modern cityscape of Frankfurt that still retains the appearance of a medieval street. Next to the square is the old town hall, with its unique stepped gabled roofs. The three gabled buildings on the west side of the Roman Forum can be said to be the symbol of Frankfurt. The Gothic building on the east side of the Roman Forum is the Frankfurt Cathedral, the church where the German emperor was crowned. The Old Opera House is one of the most famous buildings in Frankfurt and is now used as both a concert hall and a conference center. Visit Goethe-Haus. Lunch is specially arranged in the castle of the Prince of Hesse.
